## **WHY HIRE A LEADERSHIP COACH OR CONSULTANT?**

- ▶ Hone your leadership presence and people skills
- ▶ Gain management skills for your professional toolbox
- ▶ Refine your interpersonal and conflict management skills
- ▶ Fine tune your team- and organizational-oriented communication skills
- ▶ Achieve greater personal balance and alignment under pressure
- ▶ Gain skills in strategic thinking in complex business and health care work environments
- ▶ Cultivate effective use of power and authority for leading change
- ▶ Hone public speaking, meeting management, team culture and facilitation skills

## **BENEFITS OUR CLIENTS RECEIVE**

- ▶ Clarity on next steps in achieving goals
- ▶ Improved strategic and organizational systems thinking
- ▶ Increased self-awareness and strategies in influencing and inspiring others
- ▶ More time and energy to address critical projects and performance concerns
- ▶ Ability to communicate and listen more effectively
- ▶ Greater confidence in managing one-on-one and team dynamics
- ▶ Stronger team relationships
- ▶ More tools for managing performance and interpersonal dynamics on teams
- ▶ Personal refinement in character, presence, and impact on others
- ▶ Astuteness and composure in navigating complex political systems in health care, nonprofit, and corporate settings
